Mission Statement

It is often the little things that matter most. We offer complete and professional solutions from a single source. SwissMail International is your partner for independent advice covering international Postal & CEP Services!

Whichever service you choose from our range, we will provide the perfect solution in international postal services, tailored precisely to your needs. We work exclusively with renowned partners to ensure your expectations are met, and we only use alternative delivery networks at your explicit request.

Thanks to our independent status, we are free to choose our partners and use the channels to your destination countries that suit you best. We have the necessary flexibility to implement your individual needs.

Personal, advisory, reliable and fast — so the solutions from SwissMail International. When finding the right solutions for you, we focus on your aims and satisfaction.

Quality Statement

What you can expect from us:

- Reliable solutions for worldwide distance selling
- Fast delivery times for daily and transaction mail
- Optimal dispatch routes for commercial post
- Advice on and provision of import and export solutions, including CEP services.

Customer Benefit

Together, company owners Enzo Cariola and Christoph Grether have more than 50 years of experience in the international mail and logistics industry. You benefit as our customer:

- An in-depth knowledge of postal regulations in the destination country
- An extensive network of international partners
- Expertise and flexibility in the implementation of your solution requirements
- Swiss quality — our quality meets the Swiss standard
- Detailed knowledge of the international transport market
- Our independence when choosing transport providers

Strategic Business Areas

B2Consumer Mail

With «B2ConsumerMail» you can send small goods. You decide whether you want to send within the EU with or without CN22.

BusinessMail

With «Business Mail» you can send invoices, account statements, individual messages, annual reports and everything else that has the character of a personal message.

MarketingMail

With «MarketingMail» you can send mailings, catalogues, brochures, calendars or other general information's. We hand over your mailing directly to the national postal administration.

Press International

With „Press International“ you can send your magazines, periodicals or newsletters.

Courier Express Parcel & Freight

Worldwide courier and parcel delivery.
Next day parcel delivery in Switzerland.

Customs Clearance

Individual customs clearance solutions (e.g. EU customs clearance / customs clearance including fiscal representation / DDP & DAP).

Customers

Our customers are mainly from the "Bank and Distance Selling" sectors.

Not exclusively Swiss customers have opted for the services provided by SwissMail International. We also have customers from Austria, China, Germany, Italy, Spain, UK, USA, Thailand and much more.

Reference customers are made available on request and in consultation. Discretion and keeping the logistical advantage of our customers is important to us.

When asked to our customers - why did they switch to SwissMail International as a partner / supplier, we often receive the same answers:

1. The price is in line with the performance
2. We were able to shorten the time in transit – this makes us and our customers are very happy
3. The customs clearance solutions and processes are ideally suited to us
4. Range of solutions, such direct entry solutions, cross boarder, all-in one
5. Knowledge of the market – Network
6. Flexibility
